MANAGING TREES AS PUBLIC ASSETS USING CAVAT.

Presented by Mr. Chris Neilan, author of **CAVAT** together with guest speakers Mr. Andy Tipping from London Borough of Barnet and Mr. Jim Smith, Trees & Woodlands Framework Manager.

- Un-missable opportunity for Tree Officers, Tree Managers or Persons responsible for Stock of Public Trees.
- Hear the latest thinking on applying tree valuation as a strategic management tool.
- How does **CAVAT** help with decision making and are the valuations realistic.
- As proposed in Trees in Towns 2, by Dr. Mark Johnson, you will have an opportunity to discuss your own thoughts on the issues raised.
